ORDER OF THE BOARD (by G. T. Girard):

On January 15, 1993, the Board received a status report filed by the petitioner in this matter. Petitioner indicates that there are several matters proceeding which could effect the petitioner's request for variance, including a permit application before the Agency as well as a Board rulemaking. (See In the Matter of: Proposed Amendments to 35 Ill. Adm. Code. Subtitle C (Water Toxics and Bioaccumulation), R92-8.) Petitioner also points out that the Agency has not responded to an amended petition which was filed on June 15, 1992. The Board accepts the petitioner's status report and directs the parties to file an additional status report to be received by the Board no later than April 15, 1993. Further, the Board directs the Agency to file a response to the amended petition to be received by the Board no later than February 4, 1993.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, do hereby certify that the above order was adopted on the 21st day of January, 1993, by a vote of 6-0.
