ORDER OF THE BOARD (by J. C. Marlin):

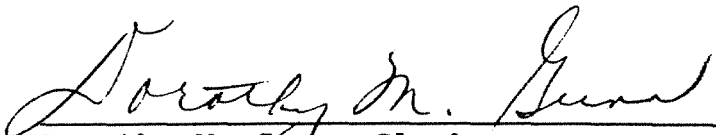

This matter comes before the Board on receipt of a Motion to File Certificate of Acceptance Instantner filed by Commonwealth Edison Co. on December 4, 1992. The Board has not received an Agency response.

The Board granted Commonwealth Edison a provisional variance on November 19, 1992 upon the November 18, 1992 receipt of an Agency recommendation. That order required Commonwealth Edison to complete and file a Certificate of Acceptance within 10 days (by November 30, 1992 because November 29 was a Sunday). The motion to file states that Commonwealth Edison did not timely file the Certificate because it did receive a copy of the Board's order.

The Board hereby grants Commonwealth Edison's motion to file instantner. We are aware that for reasons we have not yet identified, a few persons did not timely receive copies of orders issued during our November 19, 1992 meeting.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, do hereby certify that the above order was adopted by the Board on the 17th day of December, 1992, by a vote of 7-0.

Dorothy M. Gunn, Clerk
Illinois Pollution Control Board
