OPINION AND ORDER OF THE BOARD (by R.C. Flemal):

On February 7, 2000, the parties filed a stipulation and proposal for settlement, accompanied by a motion requesting relief from the hearing requirement pursuant to Section 31(c)(2) of the Environmental Protection Act (Act) (415 ILCS 5/31(c)(2) (1998)). The Board accepts the stipulation and proposal for settlement filed by the parties in this matter. The complaint alleged that respondent violated Sections 12(a), (d), 21.1(a), and 21(d)(2) of the Environmental Protection Act (Act) (415 ILCS 5/12(a), (d), 21.1(a), 21(d)(2) (1998)) and the Board's regulations found at 35 Ill. Adm. Code 807.305(c), 807.315, 807.318(c), 807.503(a), 807.505(a), 807.523(a), 807.601, 807.602, 807.603, by causing or tending to cause water pollution, causing or tending to cause a water pollution hazard, failing to provide a required bi-annual closure cost estimate, and failing to provide the required financial assurance.

Pursuant to Section 31(c)(2) of the Act (415 ILCS 5/31(c)(2) (1998)), the Board caused publication of the required newspaper notice of the stipulation and proposal for settlement and request for relief from the hearing requirement. The notice appeared in the *Decatur Herald & Review* on February 9, 2000. On February 16, 18, and 22, 2000, the Board received three separate requests that the matter proceed to hearing. On March 2, 2000, the Board ordered the matter be set for hearing. On April 18, 2000, the Board held a hearing in this matter in the Macon County Building, Decatur, Illinois. Following the hearing, the public comment period was open until May 2, 2000. No public comments were received.

The stipulation and proposal for settlement sets forth the facts relating to the nature, operations, and circumstances surrounding the allegations in the complaint. Respondent denies the alleged violations and agrees to pay the State \$37,500. Respondent must continue to comply with any federal, State, or local regulations including, but not limited to, the Act and the Board's regulations.

This opinion constitutes the Board's findings of fact and conclusions of law in this matter.
