ORDER OF THE BOARD (by J. C. Marlin):

This matter is before the Board on a March 12, 1993, motion for expedited hearing filed by the Village of Bellwood (Bellwood). No response was filed by the Illinois Environmental Protection Agency.

In its motion, Bellwood states that the purpose of the variance is to seek a construction permit for senior citizen housing. (Mot. at 1.) Bellwood also states that the contractor is ready to begin roadway construction and without the construction permit, construction of the roadway, water, and sewer lines will be delayed. Thus, delaying the entire project. (Mot. at 2.) Additionally, Bellwood states that the village has a great need for senior housing. (Mot. at 2.)

The Board grants Bellwood's request for an expedited hearing consistent with available resources, time constraints, and case deadlines.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control
Board, hereby certify that the above order was adopted on the
