ORDER OF THE BOARD (by J. Theodore Meyer):

This matter is before the Board on the Illinois Environmental Protection Agency's (Agency) November 30, 1992 motion to extend time to file its record. The motion and accompanying affidavit state that the record is currently due on December 7, 1992, that the Agency is unable to file the record by that date, and that the attorney for petitioner Central Can Company agrees to the request for extension of time. Thus, the Agency asks that the date for filing the record be extended to January 21, 1993.

The Board notes that Central Can has submitted a 45-day waiver of the decision deadline, so that a decision in this case is now due on April 23, 1993. The Agency's motion for extension of time is granted, and the record is due on January 21, 1993.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above order was adopted on the 3rd day of December, 1992, by a vote of 7-0.

  
Dorothy M. Gunn, Clerk
