ORDER OF THE BOARD (by M. Nardulli):

This matter comes before the Board on a petition filed on December 14, 1992, by Douglas Furniture. On May 20, 1993, the Board issued an order granting a stay in this matter until August 9, 1993. On August 9, 1993, the Agency filed a status report. On August 20, 1993, the petitioner filed a limited waiver of the decision deadline until June 30, 1994.

In its status report, the Agency reports that Douglas Furniture filed a petition for an adjusted standard with the Board on March 9, 1993, and that a hearing was scheduled for the adjusted standard on August 9, 1993. The Agency asserts that there are substantial issues in common between the instant permit appeal and the adjusted standard. The parties believe that the adjusted standard will address and resolve issues in this permit appeal. Therefore, the Agency requests that the Board "hold this matter in abeyance pending the resolution of the pending petition for adjusted standard."

At the parties' request, the Board will take no further action on this matter at this time. The Board directs the parties to file a status report to be received by the Board on or before November 26, 1993.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above order was adopted on the 26th day of August, 1993, by a vote of 6-0.
