

ILLINOIS POLLUTION CONTROL BOARD
October 10, 1991

IN THE MATTER OF:)
)
PETITION OF DART CONTAINER)
CORPORATION FOR ADJUSTED) AS 91-6
STANDARD FROM 35 ILL.ADM.) (Adjusted Standard)
CODE 218.986)

ORDER OF THE BOARD (by J. Theodore Meyer):

This matter is before the Board on the Illinois Environmental Protection Agency's (Agency) October 3, 1991 motion for extension of time to file its response to Dart Container Corporation's (Dart) petition for adjusted standard. The Agency requests an extension of time from October 6, 1991 to November 6, 1991. In support of its request, the Agency states that Dart has no objection to the request, that no hardship will result to Dart if the extension is granted, and that the extension of time is necessary "in order that the Agency may present a reasoned response that will minimize adverse precedential effects." (Affidavit at 1.)

Because Dart has no objection to the requested extension, and because of the relatively short time period of the requested extension, the Board will grant the motion. However, in future filings the Board will expect a more complete explanation of the reasons for an extension that was given in this case.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above Order was adopted on the 10th day of October, 1991, by a vote of 7-0.

Dorothy M. Gunn, Clerk
Illinois Pollution Control Board
