ORDER OF THE BOARD (by B. Forcade):

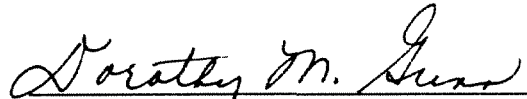

On May 11, 1989, the Board ordered this matter to hearing following remand from the First District Appellate Court. On November 29, 1990, the Board entered an additional order noting that no activity had occurred and that the case was over a year past remand. That order required all hearings to be completed not later than May 28, 1991.

Due to certain fiscal constraints, the Board has been forced to cancel or reschedule certain hearings this fiscal year. Therefore, on its own motion, the Board reconsiders and modifies the date by which hearings must be completed in this proceeding.

The hearing officer is requested to consult with the Clerk of the Board on when hearings can be scheduled and to schedule and complete such hearings as soon as possible. However, all such hearings shall be completed not later than July 12, 1991.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above Order was adopted on the 11<sup>th</sup> day of April, 1991, by a vote of 7-0.
