ORDER OF THE BOARD (by C. A. Manning):

This matter is before the Board on a June 10, 1993, joint status report filed by Olin Corporation and the Illinois Environmental Protection Agency. The report states that the parties are continuing to negotiate the terms and conditions of the Part B Permit related to facility access which are the subject of this appeal. The parties expect that when an agreement is reached that the Agency will issue a new draft Part B permit or a modified Part B Permit for the facility. The parties also anticipate that when an agreement is reached that they will dismiss this action.

The parties are ordered to file a status report in this matter on or before September 17, 1993, in the event this appeal has not been dismissed.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above order was adopted on the 17th day of June, 1993, by a vote of 7-0.
