ORDER OF THE BOARD (by J. Theodore Meyer):

This matter is before the Board on a motion for expedited determination, filed by petitioner State Oil Company on January 30, 1991. State Oil asks that the Board expedite its decision in this case, because the State Fire Marshal has asked that the gasoline storage tanks which are the subject of this proceeding be removed from the property. State Oil states that it is "reluctant to finally abandon those tanks prior to a determination of petitioner's right to install replacement tanks on the property." The motion is granted. The Board will act on this case as soon as possible, consistent with the Board's workload and resources.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above Order was adopted on the 7th day of February, 1991, by a vote of 6-0.

Dorothy M. Gunn, Clerk
Illinois Pollution Control Board
