CENSUS OF SOLID WASTE) R88-8
MANAGEMENT FACILITIES EXEMPT) (Rulemaking)
FROM THE PERMIT REQUIREMENT)
AS PROVIDED IN SECTION 21(d))
OF THE ACT, 35 ILL. ADM. CODE)
808)

ORDER OF THE BOARD (by J. Anderson):

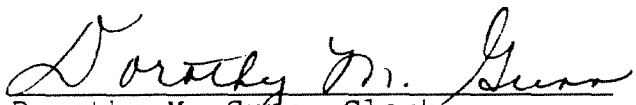

On March 29, 1991, the Illinois Environmental Regulatory Group (IERG) moved to dismiss this regulatory proceeding. On April 9, 1991, the Illinois Environmental Protection Agency (Agency) filed a response concurring with IERG's motion.

Before taking action on this matter, the Board requests comments from the Department of Energy and Natural Resources (DENR), including its Hazardous Waste and Information Center (HWRIC). The R88-8 docket was opened in large measure because of the record developed in the R88-7 landfill proceedings. The record in R88-7 indicated a need for identifying the location and certain other information regarding onsite treatment, storage and disposal activities. We feel DENR's comments would be especially helpful in light of the EcIS in R88-7 and HWRIC's data gathering interest expressed earlier in this R88-8 proceeding.

Such comments should be submitted by June 3, 1991, so that we do not unduly delay action on IERG's motion and the Agency's response.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above Order was adopted on the 9th day of May, 1991, by a vote of 7-0.

Dorothy M. Gunn, Clerk
Illinois Pollution Control Board
