ORDER OF THE BOARD (by T.E. Johnson):

This matter is before the Board on a complaint filed by Teresa L. Shepro and Frank Wiemerslage (complainants) against Newby Oil Company, David E. Tripp, and Janice L. Tripp (respondents). The complainants allege that the respondents placed 55-gallon drums, aboveground storage tanks, and semi-trailers on property owned by the complainants on Oakland Drive, DeKalb in Sycamore County that resulted in environmental contamination and a concern for safety of the complainants' soil and groundwater.

On June 29, 2005, the complainants filed a motion to voluntarily dismiss the complaint with prejudice. The motion is granted. The Board hereby dismisses the complaint, and closes the docket.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, certify that the Board adopted the above order on July 7, 2005, by a vote of 4-0.
