**HEARING OFFICER ORDER**

On August 18, 2005, all parties participated in a telephonic status conference with the hearing officer. The parties represented that they have reached a settlement and that the complainant will be drafting a stipulation and proposal for settlement (stipulation) for review.

The respondent made an oral motion for an extension of time to file its answer. The complainant had no objection. The respondent's motion is granted and its answer is now due to be filed on or before November 14, 2005.

The parties or their legal representatives are directed to participate in a telephonic status conference with the hearing officer on October 27, 2005, at 9:00 a.m. The telephonic status conference must be initiated by the complainant, but each party is nonetheless responsible for its own appearance. At the status conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing. If, however, a stipulation is filed prior to the next status conference, the conference will be cancelled without further order.

IT IS SO ORDERED.
