 ENVIRONMENTAL PROTECTION AGENCY )

ORDER OF THE BOARD (BY SAMUEL T. LAWTON, JR.):

On January 26, 1973, we received a letter dated January 11, 1973, in which petitioner requested the right to burn certain hazardous chemicals, as specified in the letter. While the letter indicated that petitioner desired to burn the chemicals before January 26, 1973, which would have made the request moot, we nevertheless docketed the request as a variance and asked for an Agency recommendation.

On February 13, 1973, we received a further communication indicating that the materials had been burned on February 1, 1973. Accordingly, the pending variance request is dismissed as moot.

IT IS SO ORDERED.

I, Christan Moffett, Clerk of the Illinois Pollution Control Board, certify that the above Order was adopted on the 14<sup>th</sup> day of February, 1973, by a vote of 3 to 0.
