HEARING OFFICER ORDER

On August 25, 2005, all parties participated in a telephonic status conference with the hearing officer. The parties represented that they have reached a settlement and that the complainant will draft a stipulation and proposal for settlement (stipulation), and forward it to the respondent for its review.

The parties or their legal representatives are directed to appear at a telephonic status conference with the hearing officer on October 27, 2005, at 10:15 a.m. The telephonic status conference must be initiated by the complainant, but each party is nonetheless responsible for its own appearance. At the conference the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing. If, however, a stipulation is filed prior to the next status conference, the conference will be cancelled without further order.

IT IS SO ORDERED.
