Public Notice

**Public Notice**

August 3, 2005 - to be published August 4, 2005

The Illinois Environmental Protection Agency ("Illinois EPA") hereby gives notice of a variance petition filed by Silbrico Corporation ("Silbrico") with the Illinois Pollution Control Board ("Board") on July 19, 2005 (Docket No. PCB 06-011). Silbrico, located at 6300 River Road, Hodgkins, Illinois, (Cook County), has filed a petition for variance under Title IX of the Environmental Protection Act ("Act"). Variances may be granted by the Board pursuant to Section 35 of the Act (415 ILCS 5/35 (2004)) and 35 Ill. Adm. Code Part 104 of the Board regulations.

The petition requests a variance from the provisions of Parts 810 through 817 of the Board regulations, 35 Ill. Adm. Code Parts 810 through 817, to the extent those Parts require disposal of off-specification perlite and fugitive perlite generated by Silbrico's manufacturing process in a non-hazardous waste landfill. Silbrico currently disposes of the wastes in a permitted non-hazardous municipal waste landfill, but it wishes to dispose of the off-specification and fugitive perlite at locations where construction and demolition debris is being used as fill material.

Any person may request a hearing in this matter by filing a written objection to the grant of the variance with the Board, together with a written request for a hearing, within twenty-one (21) days after the publication of this Notice (by August 25, 2005). Send requests and objections to: Ms. Dorothy Gunn, Clerk, Illinois Pollution Control Board, James R. Thompson Center, 100 West Randolph Street, Suite 11-500, Chicago, Illinois, 60601, (312)814-6931; fax: (312)814-3669. A copy of the variance petition is also available through the Clerk of the Board.

The Illinois EPA is preparing a recommendation regarding the variance petition. The Illinois EPA is to file its recommendation within forty-five (45) days after the filing of the petition. The Illinois EPA solicits comments from persons who may be adversely affected by the variance. Address any comments or inquiries to: Mark V. Gurnik, Assistant Counsel, Division of Legal Counsel, Illinois Environmental Protection Agency, 1021 South Grand Avenue East, P.O. Box 19276, Springfield, Illinois, 62794-9276, telephone: (217)782-5544.

A hearing may be held after the filing of the Illinois EPA recommendation. Persons may submit comments on the variance petition to the Board. The comments must mail to the Pollution Control Board at the above address for the Clerk of the Board. The record of this proceeding will remain open for written comments for forty-five (45) days after the filing of the Illinois EPA recommendation.

The record in this variance proceeding is available at the Board office for inspection by the public, except for those portions of the record that are protected from disclosure under 35 Ill. Adm. Code Part 130. Procedures are available whereby disclosure may be sought by the public.
