HEARING OFFICER ORDER

On September 29, 2005, the parties were scheduled to participate in a telephone status conference with the hearing officer. Neither party appeared. As last reported, respondent was supposedly close to issuing the closure permit. Petitioner is ordered to file an additional waiver of the decision deadline no later than October 20, 2005.

The hearing officer notes that petitioner has been filing very short deadline waivers for several years despite the fact that little progress is made on a monthly basis. This requires significant time and attention by the hearing officer to closely monitor this case. Accordingly, if petitioner does not withdraw this appeal or file an open waiver of the decision deadline by December 31, 2005, the hearing officer reserves the right to set this case for hearing.

The parties are directed to participate in a telephone status conference with the hearing officer at 11:00 a.m. on October 20, 2005. The status conference shall be initiated by the petitioner.

The decision deadline is currently January 20, 2006.

IT IS SO ORDERED.
