CORPORATION (35 ILL. ADM. CODE	)	
PART 810)	)	

**HEARING OFFICER ORDER**

On July 19, 2005, the Board received a rulemaking proposal submitted by Silbrico Corporation (Silbrico) that seeks a site-specific rule allowing it to dispose of nonhazardous, inert waste generated at a manufacturing facility located in Cook County at a "construction and demolition debris" facility. The Board accepted the proposal for hearing on September 1, 2005.

On October 5, 2005, a status conference was held in this matter. Elizabeth Harvey appeared on behalf of Silbrico, and Mark Gurnik appeared on behalf of the Illinois Environmental Protection Agency. The parties indicated that they are waiting to see how the Board addresses a soon-to-be-filed amended petition in a related variance proceeding, and requested that an additional status conference be held in 30 days. This request was granted, and a status conference was scheduled for November 7, 2005, at 10:00 a.m.

IT IS SO ORDERED.
