HEARING OFFICER ORDER

On November 3, 2005, all parties participated in a telephonic status conference with the hearing officer. The parties were directed by hearing officer order dated September 13, 2005, that they were to suggest hearing dates in this matter on November 3, 2005. The parties represented at today's status conference that they have not contacted their potential witnesses and therefore are uncertain of their respective witness availability at the future hearing in this matter. To that end, they were unable to give dates certain as to when the hearing in this matter could commence.

The parties were directed again to propose realistic hearing dates at the next status conference.

The parties or their legal representatives are directed to participate in a telephonic status conference with the hearing officer on November 10, 2005, at 11:45 a.m. The telephonic status conference must be initiated by the complainant, but each party is nonetheless responsible for its own appearance. At the status conference, the parties must be prepared to discuss the status of the above-captioned matters and their readiness for hearing.
