HEARING OFFICER ORDER

On January 12, 2006, all parties participated in a telephonic status conference with the hearing officer. The respondent represented that it will properly file and serve his motion for an extension of time, filed November 30, 2005. That motion was not properly served on the complainant. The respondent represented that he will also properly file and serve his response to complaint and response to motion to deem facts admitted and for summary judgment that was served on the hearing officer and the complainant on or about December 9, 2005, but was not filed with the Clerk. The respondent anticipates that the above-mentioned activities will be completed on or before January 19, 2006. As yet, no ruling has been made on those pleadings.

The respondent is again reminded to file and serve the pleadings in accordance with Section 101.304 of the Board’s procedural rules.

The parties or their legal representatives are directed to participate in a telephonic status conference with the hearing officer on February 9, 2006, at 1:00 p.m. The telephonic status conference must be initiated by the complainant, but each party is nonetheless responsible for its own appearance. At the status conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing.
