To Whom It May Concern:

Our names are Joseph & Donna Arrigo and we live at 10200 West 5th Ave. Cutoff - Country Side IL. Our home is approximately 700 feet from the Illinois Tollroad. Because of this proximity, and the increase in traffic each year, the noise level is very great. It is very hard to get to sleep at night. While we are outside doing things, the noise level coming from the Tollway is very loud. It is even worse in the Spring, Summer & Fall months when we have our windows open.

We really need a very high sound barrier equal to those affluent communities that border the Tollway now.

Sincerely,

Joseph Arrigo
