Re: PCB

2004-036

PC#5

Dear Mrs. Webb,

In regard to the noise wall that runs along Mauder Road and along the sides of the toll road, we are convinced it is too low.

From our home we cannot look out our front windows without the annoyance of the flashing lights of the on/off ramps.

We are convinced the noise level is much higher than it need be. We desperately need the wall to be re-installed at the proper height — PLEASE !!

Thank you for your consideration

Ray Dolgner
