On January 31, 2006, the parties participated in a telephone status conference with the hearing officer. On December 30, 2005, respondent filed a motion to dismiss. Although respondent's motion was served on complainant, complainant's attorney did not receive the motion until last week. The parties continue to explore the possibility of settlement.

The parties are directed to participate in a telephone status conference with the hearing officer at 11:00 a.m. on April 3, 2006. The status conference shall be initiated by the complainant.
