SUPPLEMENTAL PETITION FOR LEAVE TO INTERVENE

VERMILION COAL COMPANY, A Delaware Corporation authorized and doing business in Illinois, by Fred L. Hubbard, its attorney, for supplement to its Petition to the Illinois Pollution Control Board for leave to intervene in the above-captioned matter supplements its previously filed Petition with the following allegations:

1. The Illinois Pollution Control Board issued an Order on April 5, 2001, neither granting nor denying intervention, but granting the intervenor seven (7) days to provide additional information.
2. The proposed intervenor is a Delaware Corporation authorized and doing business under the laws of the State of Illinois.
3. The proposed intervenor is the owner of thousands of acres of coal in Vermilion County, Illinois, as per the attached copy of a title insurance commitment, such copy is attached to and made a part of this pleading by this reference as Exhibit A as if fully set forth in this paragraph.
4. The coal referred to in the preceding paragraph has a value upwards of Thirty Million Dollars (\$30,000,000.00) if mined and a value of nothing if the appropriate mining permits are not issued, including the environmental permits.
5. The intervenor has leased the coal interests to Catlin Coal Company as per the attached Memorandum of Lease, such copy is attached to and made a part of this pleading by this reference as Exhibit B as if fully set forth in this paragraph.
6. The lease referred to above as made and entered into between Vermilion Coal Company and Catlin Coal Company has since been transferred to Black Beauty Coal Company by its purchase of Catlin Coal Company.

7. The intervenor does not own the surface at any of the locations proposed to be mined by Black Beauty Coal Company under the alleged lease and pursuant to the environmental permit that is the subject of these proceedings.

8. Vermilion Coal Company will suffer substantial and irreversible damage by a reversal of the Illinois Environmental Protection Agency's decision to issue the NPDES permit that is the subject matter of these proceedings.

9. The intervenor attaches the Affidavit of Frederick D. Keady as a part of this Supplemental Petition, such copy is attached and made a part of this pleading by this reference as Exhibit C as if fully set forth in this paragraph.

WHEREFORE, VERMILION COAL COMPANY prays that the Illinois Pollution Control Board grant it leave to intervene in the above-captioned matter and for such orders as may seem just and proper under the circumstances.

Dated this 10 day of April, 2001.

VERMILION COAL COMPANY, A
Delaware Corporation.
