April 7, 1988

IN THE MATTER OF: )  
 )  
PRETREATMENT UPDATE ) R88-11  
(4/1/87 through 12/31/87) )

PROPOSAL FOR PUBLIC COMMENT

PROPOSED ORDER OF THE BOARD (by J. Marlin):

The Board is proposing to amend the pretreatment regulations pursuant to Section 13.3 of the Environmental Protection Act (Act). The Board will publish the proposal in the Illinois Register and receive public comment for 45 days after the date of publication.

Section 13.3 of the Act requires the Board to adopt regulations which are "identical in substance" with federal regulations promulgated by the United States Environmental Protection Agency (USEPA) to implement the pretreatment requirements of Sections 307 and 402 of the Clean Water Act, which was previously known as the Federal Water Pollution Control Act. Section 13.3 provides that Title VII of the Act and Sections 5 and 6.02 of the Administrative Procedure Act (APA) do not apply to identical in substance regulations adopted to establish the pretreatment program. However, Section 13.3 of the Act does require the Board to provide for notice and public comment before rules are filed with the Secretary of State.

This proposal updates the pretreatment rules to cover USEPA rules adopted between April 1, 1987 and December 31, 1987. The complete text of the proposal is attached to this Order.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above Proposed Order was adopted on the 7<sup>th</sup> day of April, 1988, by a vote of 7-0.
