**HEARING OFFICER ORDER**

On April 13, 2006, all parties participated in a telephonic status conference with the hearing officer. The complainant represented that the parties participated in a meeting since the last status conference and agreed that respondent will respond in writing on how best to address the remaining technical issues. The respondent represented that it anticipates that it will forward the document within the next two weeks. By agreement, the respondent's answer is now due to be filed on or before July 7, 2006.

The parties or their legal representatives are directed to participate in a telephonic status conference with the hearing officer on June 22, 2006, at 9:30 a.m. The telephonic status conference must be initiated by the complainant, but each party is nonetheless responsible for its own appearance. At the status conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing.
