ORDER OF THE BOARD (by J. C. Marlin):

On November 28, 1990, the Respondent filed a motion requesting a continuance to respond or otherwise plead. The Respondent indicated that it had not had sufficient time to prepare a formal response or motion to dismiss and indicated that another 21 days would be sufficient time to respond. The Board grants this motion and directs the Respondent to file the proper motions to be received by the Board no later than December 19, 1990.

The Board notes that the seven day period to respond to this motion has not run. However, the Board finds that undue delay would result if it does not rule on the motion today.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above Order was adopted on the 29th day of November, 1990, by a vote of 7-0.

Dorothy M. Gunn, Clerk
Illinois Pollution Control Board
