NARRATIVE EVALUATION

INSPECTION DATE: 3/22/2006

TIME: AM 10:00

SITE NAME: Speedy Gonzalez Inc.

EMPLOYEE: Chris Antonopoulos

SITE CODE: 0316485103

SITE ADDRESS: 1601 E 130TH ST

COUNTY: Cook / Chicago

SUMMARY

As I was Driving East on 130th St. heading to a meeting with City of Chicago Department of Revenue at a site on 136th and Hoxie, it was observed that there was some bluish and black smoke deriving from the property address of 1601 E. 130th St. I then along with Johnna Potthoff- legal counsel for DOE and Charles King- Attorney for the City of Chicago Law Department and Edward Collins-Inspector for DOE, proceeded to investigate the smoke and upon driving into the open gate it was observed that there were trucks from E.King Hauling in the process of receiving loads of what looked to be C& D debris. I then assessed the remainder of the site and observed broken concrete, scrap metal, compost material, property belonging to the City of Chicago (signs), railroad ties, two piles of wood, one in the rear (which was burning) and one in the front near the entrance that was in the process of segregation by an unknown person that looked to be an employee, port-a-johns with the advertisement of OUI!OUI! Incorporated and a water tanker with the name Speedy Gonzalez Inc. spray painted on the side.

I then with the help of Inspector Collins proceeded to interview the heavy equipment operator (Front End Loader) about the generation point of the material and destination. The operator of the loader than stated that he had a manifest from the IEPA and that they were working for the City of Chicago and CTA. I then corrected the individual and stated that he is not working for the City of Chicago and that the manifest states a different address and that the generator was in fact CTA signed by Chuck Webber with no date. I then talked to Supervisor-Stanley Kaehler of DOE via Nextel and gave all information on the ongoing investigation. Supervisor Kaehler then stated that he would send another inspector to assist at the site, along with the Director of Inspections- John Kryl.

After contacting supervisor Kaehler, I proceeded to speak with the driver of the E. King truck and stated that he is not to remove the material from the site until further notice. The Driver and heavy equipment operator, than stated he would continue his work until the gentleman in the white pick up truck told them not to do so. I then spoke to the driver of the white Truck who was identified as the owner of Speedy Gonzalez Inc. and he stated that we were on private property and that we had no right to be on his property. I then asked Mr. Gonzalez to cease his illegal transfer station activities and he in turn stated the manifest in my hands were not given to me by the people on the site and he proceeded to drive off onto the other side of the property and let his employees continue the loading of the trucks and releasing the trucks with the material in question under his supervision.

After gathering all information and meeting with Chuck Webber- CTA and Paschen Construction, it was found that the CTA, Paschen, E. King and Mr. Gonzalez were under an agreement to store fuel- contaminated soil from the CTA Brownline project at the 1601 E. 130th St., until the CID Landfill resumed business on Monday. Further information also was given that the material was questionable on the generation point (Brownline) and that there would be an ongoing investigation on the behalf of the CTA.

Inspector Maciel, Ms. Pottoff, Mr. King, Mr. Kryl, and myself discussed the sites condition with Chuck Webber and a representative from Paschen Construction. Mr. Webber is a CTA's environmental consultant in charge of the brown line project and Paschen was the hired subcontractor to do the renovation. They both informed us that the CTA material that was removed from the project was to go to CID landfill. However, since the renovation work occurred over the weekend the loads would have to wait to go to the landfill until Monday. Mr. Webber also informed us that E. King was hired to do the hauling. He said that E-King was to keep all the loads in roll-offs and on site until CID opened. Neither Mr. Webber nor Paschen could conclude if the waste material came from the brown line project. The total amount of debris waste from CTA equaled 800 yards. This waste consisted of bricks, wood, scrap metal, soil, and concrete.

Facts

For this Administrative Citation to Jose R. Gonzalez, the City of Chicago Department of Environment ("CDOE") states as follows:

1. Complainant, CDOE, is a unit of local government to which the Illinois Environmental Protection Agency has delegated authority to issue administrative citations pursuant to Section 4(r) of the Illinois Environmental Protection Act ("Act"), 415 ILCS 5/4(r) (2004). CDOE is thus a "delegated unit" and may issue administrative citations under 35 Ill. Adm. Code 108.200.
2. Respondent Jose R. Gonzalez is the president of Speedy Gonzalez Landscaping, Inc., a registered Illinois corporation doing business in Chicago, Cook County, Illinois, and manager of 1601-1759 East 130th Street, L.L.C., a registered Illinois limited liability corporation with its office of record in Chicago, Cook County, Illinois.
3. On March 22, 2006, while driving on East 130th Street in Chicago, Illinois,

CDOE environmental inspector Rafael Maciel observed smoke rising from the parcel of property located at 1601-1759 East 130th Street (the "Site").

4. Mr. Maciel conducted an inspection of the Site, and observed the following conditions:

- a. piles of landscaping, construction, and other waste, including soil mixed with concrete, piping, wood, rebar, and concrete.
- b. a front end loader filling semi trucks with general construction and demolition debris;
- c. workers segregating recyclable materials, including wood, bricks and metal, from waste piles;
- d. waste wood being burned; and
- e. waste in standing water.

5. Mr. Maciel asked the front end loader operator the name of his supervisor. The operator responded his supervisor was "Speedy," the driver of a white pick up truck present on the Site.

6. Mr. Maciel asked the semi truck driver the name of his boss. The driver responded, "My boss is in the white truck."

7. Mr. Maciel approached the man driving the white pickup truck, and identified the man as "Speedy" Gonzales. Upon information and belief, "Speedy" Gonzales is Respondent Jose R. Gonzales.

8. Later that same day, DOE inspector Chris Antonopoulos conducted a further inspection of the Site. No work was being done at the time of Mr. Antonopolous' inspection but he observed stripped wire, piles of waste material including construction and demolition debris, and waste in standing water on the Site.

9. A copy of Mr. Maciel's and Mr. Antonopoulos' inspection report is attached as Exhibit 1 and made a part of this Administrative Citation. Mr. Maciel's and Mr. Antonopoulos' affidavits, attesting to their material actions and observations, are attached as Exhibits 2 and 3, and made a part of this Administrative Citation.

10. Based upon direct observations made by Messrs. Maciel and Antonopoulos during the course of their inspections, CDOE has determined that Respondent violated the Act as follows:

- a. Respondent caused or allowed the open dumping of waste in a manner resulting in litter, in violation of Section 21(p)(1) of the Act, 415 ILCS 5/21(p)(1) (2005).

b. Respondent caused or allowed the open dumping of waste in a manner resulting in scavenging, in violation of Section 21(p)(2) of the Act, 415 ILCS 5/21(p)(2) (2005).

c. Respondent caused or allowed the open dumping of waste in a manner resulting in open burning, in violation of Section 21(p)(3) of the Act, 415 ILCS 5/21(p)(3) (2005).

d. Respondent caused or allowed the open dumping of waste in a manner resulting in the deposition of waste in standing water, in violation of Section 21(p)(4) of the Act, 415 ILCS 5/21(p)(4) (2005).

e. Respondent caused or allowed the open dumping of waste in a manner resulting in deposition of general construction and demolition debris, in violation of Section 21(p)(7)(ii) of the Act, 415 ILCS 5/21(p)(7)(ii) (2005).

12. Based upon the foregoing facts, under Section 42(b)(4-5) of the Act, 415 ILCS 5/42(b)(4-5) (2004), Respondent is subject to a civil penalty of One Thousand Five Hundred Dollars (\$1,500.00) for each of the five violations identified above, for a total civil penalty of Seven Thousand Five Hundred Dollars (\$7,500.00).
