PROPOSED AMENDMENTS TO THE) R06-20
BOARD'S SPECIAL WASTE) (Rulemaking - Land)
REGULATIONS CONCERNING)
USED OIL, 35 ILL. ADM. CODE 808, 809)

HEARING OFFICER ORDER

On May 25, 2006, the Board held its first hearing in this rulemaking proceeding. In the course of that first hearing, witnesses for the Illinois Environmental Protection Agency (Agency) sought to respond to specific questions by preparing responses for the second hearing, which is now scheduled to take place Thursday, June 29, 2006 in Chicago. The hearing transcript, which is expected to be available on or about Tuesday, June 6, 2006, will reveal the substance of those questions for which the Agency sought to prepare responses for the second hearing.

After discussing procedural issues with them, the hearing participants accepted a deadline of Thursday, June 15, 2006 for the filing of those responses. Consequently, the Agency is directed to file by June 15, 2006 and in the form of a public comment its responses to those questions for which it sought to prepare responses for the second hearing. Because this deadline falls only 14 days before the date of the second hearing, the "mailbox rule" at 35 Ill. Adm. Code 101.300(b)(2) does not apply and the Clerk must receive these documents on June 15, 2006. However, this particular public comment and other documents may be filed electronically through the Clerk's Office On-Line (COOL) from the Board's Web site at www.ipcb.state.il.us. Any questions about electronic filing through COOL should be directed to the Clerk's Office at (312) 814-3629.

The second hearing will continue to take place as schedule on June 29, 2006 at 1:00 PM in Room N-502 of the Michael A. Bilandic Building at 160 N. LaSalle Street in Chicago.

IT IS SO ORDERED.
