**HEARING OFFICER ORDER**

On June 1, 2006, all parties participated in a telephonic status conference with the hearing officer. Hearing dates were discussed again, including the possible hearing dates for September 18 through the 21, 2006. The respondent represented that one of its witnesses, Mike McDermont, would not be available for those dates, or for all of October 2006. The respondent was directed to file an affidavit of McDermont's unavailability on or before June 13, 2006.

The parties or their legal representatives are directed to participate in a telephonic status conference with the hearing officer on June 15, 2006, at 1:00 p.m. The telephonic status conference must be initiated by the complainant, but each party is nonetheless responsible for its own appearance. At the status conference, the parties must be prepared to discuss the status of the above-captioned matters and their readiness for hearing.

IT IS SO ORDERED.
