**HEARING OFFICER ORDER**

On June 20, 2006, all parties participated in a telephonic status conference with the hearing officer. Hearing dates were discussed. The parties represented that both parties were available for hearing the week of August 21, 2006, but that date conflicted with the hearing officer's schedule. The parties were directed to contact their respective witnesses and, with an eye towards a bifurcated hearing, ascertain any other dates that they were available.

The parties or their legal representatives are directed to participate in a telephonic status conference with the hearing officer on June 21, 2006, at 11:00 a.m. The telephonic status conference must be initiated by the complainant, but each party is nonetheless responsible for its own appearance. At the status conference, the parties must be prepared to discuss the status of the above-captioned matters and their readiness for hearing.

IT IS SO ORDERED.

A handwritten signature in black ink, reading "Bradley P. Halloran", is written over a solid horizontal line.
