NARRATIVE INSPECTION REPORT

Date of Inspection: 05/01/06

Inspector: Bliton, J.K.

Site Code: 1418205009

County: Ogle

Site Name: Case, Francis

Time: 9:50 – 10:18 a.m.

Weather Conditions: 54°, light rain, winds S @ 14 MPH.

General Remarks

I could see dark smoke from IL Rt. #2 while on my way to work. I drove over to where I thought the smoke was coming from. I found the fire at 9:50 a.m. at 317 E. Oakwood Drive in Rockvale Terrace, Byron. Standing by the fire was Luke Case. He said he was helping his father clean-up a few things. He was burning about 5 tires on rims, a propane tank, a wooden door, insulation and an aluminum freezer. Luke Case said that it is his parent's stuff and he was just helping out.

He called to his father, Francis Case, who came and said he has a business, "Case'y Trucking & Recycling." He picks up scrap metal. He said he picks up appliances but tells his customers that the lines must be cut to show that the Freon has been removed. He also said he knows he shouldn't burn tires, but they caught on fire while he was doing some torching. He said a couple years ago he burned the wood from a horse trailer when the county told him he had to get rid of it. Other than that, he said he hasn't burned anything.

I advised him this may result in an Administrative Citation (AC) with three violations and that each violation was \$1500. I said the total fine may be \$4500. I said that he would have an opportunity to appeal the AC to the Illinois Pollution Control Board, but he must do that within 35 days of receiving the AC. I told him the AC would be sent to him in about a month.

I gave him the flyers: Stop, Don't Get Burned, Illinois Open Burning Laws, Open Burning of Waste and Demolition of Buildings and Proper Disposal of Demo Waste. He said he understood and didn't have any questions. I left the site at 10:18 a.m.
