HEARING OFFICER ORDER

On June 29, 2006, all parties participated in a telephonic status conference with the hearing officer. The complainant represented that it a settlement will be achieved and that a draft stipulation and proposal for settlement (stipulation) is or will be circulated for review. By agreement, the respondent's answer is now due to be filed on or before October 2, 2006. The respondent represented that it will file an appearance. As of this date, the Board is not in receipt of an appearance.

The parties or their legal representatives are directed to participate in a telephonic status conference with the hearing officer on August 30, 2006, at 10:00 a.m. The telephonic status conference must be initiated by the complainant, but each party is nonetheless responsible for its own appearance. At the status conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing. If, however, a stipulation is filed prior to the next status conference, the status conference will be cancelled without further notice.
