HEARING OFFICER ORDER

On July 13, 2006, a telephonic status conference was held. Respondent Dupage County did not appear. Complainant represented that it intends to continue settlement discussions once the consultant's report is finalized. The respondents represented that they may file motions regarding the amended complaint filed June 29, 2006. At this time, the parties felt it was premature to set a discovery schedule. A proposed discovery schedule may be discussed at the next telephonic status conference if needed. The hearing officer directed the parties to file their appearances if they have not done so.

The parties or their legal representatives are directed to participate in a telephonic status conference with the hearing officer on September 21, 2006, at 1:00 p.m. The telephonic status conference must be initiated by the complainant, but each party is nonetheless responsible for its own appearance. The complainant represented that it will notify the parties and the hearing officer of a call-in number prior to the next telephonic status conference. At the status conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing.

IT IS SO ORDERED.
