HEARING OFFICER ORDER

On October 19, 2006, all parties participated in a telephonic status conference with the hearing officer. The petitioner represented that it has completed the physical construction of the controls, however, the controls are not yet in operation. The petitioner anticipates that they will be operational in the near future and at that time meetings with the respondent will take place.

The parties or their legal representatives are directed to participate in a telephonic status conference with the hearing officer on December 14, 2006, at 1:00 p.m. The telephonic status conference must be initiated by the petitioner, but each party is nonetheless responsible for its own appearance. At the status conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing.

IT IS SO ORDERED.
