HEARING OFFICER ORDER

On November 2, 2006, a telephonic status conference was held. The petitioner represented that the parties now have an agreed settlement document and that a permit application has recently been forwarded to the Illinois Environmental Protection Agency for review. All parties appear to be optimistic that it will be approved. Once approved, the petitioner represented that it will file a motion to voluntarily dismiss the above-captioned matter.

The parties or their legal representatives are directed to participate in a telephonic status conference with the hearing officer on January 11, 2007, at 11:00 a.m. The telephonic status conference must be initiated by the petitioner, but each party is nonetheless responsible for its own appearance. At the status conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing. If, however, a motion to voluntarily dismiss is filed prior to the next status conference, the conference will be cancelled without further notice.

IT IS SO ORDERED.
