BOARD BEGINS ACTION ON NEW MEDICAL WASTE RULES IN RESPONSE TO LEGISLATIVE MANDATE

At its August 22 and 26, 1991 Board meetings, the Board opened four rulemaking dockets (R91-18, R91-19, R91-20 and R91-21) in response to House Bill 2491, presently awaiting the Governor's signature.

Changes made by House Bill 2491 include a requirement at new section 56.2(d) of the Environmental Protection Act that the Board repeal 35 Ill. Adm. Code 809.Subpart I: Hazardous (Infectious) Hospital Waste by January 1, 1992. Therefore, to comply with this mandate within the timeframe given, the Board opened Docket R91-18 and sent the proposed repealer to first notice. Should the governor not sign HB 2491, the proposed repealer will be withdrawn. Hearings have been set on the proposal for Wednesday, September 18, 1991 at 9:00 a.m., Room 9-031, State of Illinois Center, 100 W. Randolph St., Chicago, and Thursday, September 19, 1991 at 10:00 a.m., 148 N. Third St., DeKalb.

New section 56.2(e) of the Act requires the Board to adopt rules that "are identical in substance to the list of etiological agents identified as Class 4 as set forth in 'Classification of Etiological Agents on the Basis of Hazard, 1974', published by the Centers for Disease control [CDC]", or any amended list. The Board opened docket R91-19 to provide a vehicle to accomplish this mandate.

New Sections 56.2(a) and 56.2(c) require the Board to adopt regulations for the design and operation of potentially infectious medical waste treatment, storage and transfer facilities, and to adopt regulations prescribing standards for transporting, packaging, segregating, labeling, and marking potentially infectious medical waste. The Board opened dockets R91-20 (treatment, storage, transfer, etc.) and R91-21 (transportation, packaging, labeling, etc.) to initiate rulemakings for these mandates. An inquiry hearing has

been set for these dockets for Wednesday, September 18, 1991 at 11:00 a.m. at Room 9-031, State of Illinois Center, 100 W. Randolph St., Chicago.

Information on all hearings in these dockets can be obtained by contacting the Hearing Officer, Michelle Dresdow, at 815/753-0947.

BOARD ADOPTS SECOND NOTICE IN RECYCLED PAPER RULEMAKING (R90-24)

On September 12, 1991, the Board adopted (7-0) a second notice opinion and order in its recycled paper rulemaking. The proposed rule would require all documents, excluding exhibits, filed with the Board by attorneys or organized environmental or trade groups to be submitted on recycled paper. The Board responded to public comments received during the first notice period, and made some revisions to the proposed rule. First, the language was modified to clarify that exhibits are excluded from the recycled paper requirement. Second, stationery, such as letterhead, is exempted from the requirement when that paper is submitted merely as a cover letter or for other similar purposes. Third, new language encouraging the use of double-sided copying of documents was added. Finally, the effective date of the requirement was delayed from December 1, 1991, to January 1, 1992.

The rule will be submitted to the Joint Committee on Administrative Rules for the statutory 45-day second notice period. The Board's second notice opinion and order can be obtained from the Board at 312/814-3620. Questions on the proposed rule should be directed to Elizabeth Schroer Harvey at 312/814-6921.

BOARD MODIFIES RCRA UPDATE (R91-1)

On September 12, 1991, the Board modified the final order entered August 8, 1991, in R91-1, the RCRA Update docket for the second half of 1990. The Board corrected the entry in Section 720.111 for "Test Method 8290" to conform with the title and document number of the document actually received from USEPA.

BOARD WITHDRAWS R90-11 CORRECTION (RCRA UPDATE)

On August 22, 1991, the Board withdrew its August 8, 1991 correction to the rules adopted in R90-11. Due to an editorial error, the entry in 35 Ill. Adm. Code 728. Table A for F024, Lead, Non-wastewaters was incorrect as filed and published in the Illinois Register. A correction appeared in the Illinois Register as an amended rule on August 23,

1991, at 15 Ill. Reg. 11937. The correction will now be withdrawn, and the rule will revert back to the prior text. Questions should be directed to Morton Dorothy at 217/333-5575.
