**HEARING OFFICER ORDER**

On November 28, 2006, the parties participated in a telephone status conference with the hearing officer. The parties are discussing a new appeal for this site, PCB 07-43, that the Board is expected to accept for hearing on December 7, 2006. Petitioners may proceed to hearing immediately on the new docket, which would render this appeal moot. The hearing officer does not yet know the decision deadline for PCB 07-43, so petitioners agreed to address any waiver issues for both dockets at the next status conference.

The parties are directed to participate in a telephone status conference with the hearing officer at 3:30 p.m. on December 18, 2006. The status conference shall be initiated by the petitioners.

The decision deadline for this case is currently March 15, 2007.

IT IS SO ORDERED.
