Dear Illinois Pollution Control Board,

I am writing to you to let you know of my support of the Peoria County Board's decision to deny Peoria Disposal Company appeal for the expansion of the Hazardous Waste Landfill.

I do not live in Peoria County. I live in Stark but as a Illinois Resident I feel the Urge to Speak!

I do not want any location in the Midwest to have a Slow Hazardous Waste. We are known as the 'Bread basket of the World.' Our land is the richest farm ground. This just seems so insane to me - to expand all this Hazardous Waste over our aquifer into our waterways and rivers!! All of our land needs

Your protection!! Please Help - do not let this happen to Illinois!!!
Sincerely,
Linda Crum
