HEARING OFFICER ORDER

On February 22, 2007, all parties participated in a telephonic status conference with the hearing officer. The petitioner represented that its consultant will be submitting additional information to the respondent regarding the previously submitted revised corrective action plan and budget. The petitioner represented that it will file an additional 60-day waiver of the statutory decision deadline.

The parties or their legal representatives are directed to participate in a telephonic status conference with the hearing officer on March 29, 2007, at 9:15 a.m. The telephonic status conference must be initiated by the petitioner, but each party is nonetheless responsible for its own appearance. At the status conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing.
