HEARING OFFICER ORDER

On February 12, 2007, the parties submitted an agreed discovery schedule. The discovery schedule is accepted to the extent as follows: any party wishing to propound written interrogatories and/or requests for production must service such written discovery on any other party on or before February 28, 2007; responses to written interrogatories and requests for production must be served on or before March 28, 2007; parties must review written discovery and advise responding parties of any deficiencies on or before April 4, 2007; parties must confer in person or by telephone any disputes over written discovery.

The parties or their legal representatives are directed to participate in a telephonic status conference with the hearing officer on March 29, 2007, at 1:30 p.m. The telephonic status conference must be initiated by the complainant, but each party is nonetheless responsible for its own appearance. The complainant represented that it will notify the parties and the hearing officer of a call-in number prior to the next telephonic status conference. At the status conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing.

IT IS SO ORDERED.
