INTERIM ORDER OF THE BOARD (by R. C. Flemal):

The Board observes that there has been no apparent movement towards resolution of the substantive issues in this permit appeal, notwithstanding the fact that the initial appeal was filed more than two years ago.

The Board further observes that the Illinois Environmental Protection Act ("Act") contemplates rapid disposition of permit appeals pursuant to concomitant needs to expeditiously resolve disputes and assure environmental protection.

For these reasons the Board believes that the public good requires expeditious resolution of the instant matter. Accordingly, the Board sets out the following order:

ORDER

The Board hereby directs the Hearing Officer to schedule a hearing in this matter no later than August 15, 1988 and take all reasonable efforts to expeditiously conclude this proceeding.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above Interim Order was adopted on the 2nd day of June, 1988, by a vote of 7-0.

Dorothy M. Gunn, Clerk
Illinois Pollution Control Board
