In regarding the case against Alvin and Ruben Valdez upon the Complaint for an Administrative Citation, we are requesting a hearing from the Pollution Control Board to discuss an extended amount of time to resolve the pollution violations.

Ruben Valdez has contacted Don Terry, Environmental Compliance Inspector, to request an amount of 60 extra days to be into compliance. There have been many days of snow, rain, extreme wind and hail, and muddy weather and land conditions that have prevented Alvin and Ruben Valdez to the ability to evacuate any open debris or move any such motor vehicle.

Within 60 days, Ruben and Alvin Valdez are very confident that compliance will be made, and the problem will be resolved.

Sincerely,

Ruben J. Valdez

Alvin J. Valdez
