ORDER OF THE BOARD (by M. McFawn):

The Illinois Environmental Protection Agency (Agency) issued a Clean Air Act Permit Program (CAAPP) permit on August 4, 2000, to Georgia-Pacific Tissue, L.L.C. (Georgia Pacific), for its facility located at 13101 South Pulaski Road, Alsip, Cook County, Illinois. On September 1, 2000, XCTC Limited Partnership (XCTC) filed a petition requesting the Board review certain provisions of the permit. XCTC represents that it submitted written comments to the Agency on the draft permit and attached a copy of the submittal to its permit appeal. Pursuant to Section 40.2(a) of the Act, the Board accepts XCTC's permit appeal for hearing.

On September 8, 2000, Georgia Pacific, the permittee, filed a petition requesting review of this CAAPP permit. The Board also accepts Georgia Pacific's petition for hearing. On its own motion, the Board consolidates these two permit appeals for the purpose of hearings.

Hearings shall be scheduled and completed in a timely manner pursuant to the applicable statutory decision deadline or as extended by waiver. The hearing officer must ensure that the Board decision can be reached within the statutory deadline in the earliest filed case. The assigned hearing officer shall inform the Clerk of the Board of the time and location of hearing at least 40 days in advance of hearing so that a 30-day public notice of hearing may be published. Unless otherwise ordered by the hearing officer, the Agency shall file the record of its review of the CAAPP permit application within 30 days after service of the petition. See 35 Ill. Adm. Code 105.102(c)(7).

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above order was adopted on the 21st day of September 2000 by a vote of 7-0.
