ORDER OF THE BOARD (by E. Dunham):

On January 22, 1996 the City of Belleville filed a petition for adjusted standard from the excess flow disinfection requirements of 35 Ill. Adm. Code 306.305(b). On February 15, 1996 the Board ordered the City of Belleville to file an amended petition providing the information required in an adjusted standard petition. The City of Belleville provided additional information to the Board on April 1, 1996. The Illinois Environmental Protection Agency filed a motion to dismiss on May 15, 1996. By order of June 6, 1996 the Board found that the petition remained deficient as alleged in the motion to dismiss and directed the City of Belleville to further amend its petition by July 26, 1996 or the petition would be subject to dismissal.

The City of Belleville has not filed an amended petition as directed by the Board's order of June 6, 1996. The petition for adjusted standard is hereby dismissed and the docket is closed.

IT IS SO ORDERED.

Section 41 of the Environmental Protection Act (415 ILCS 5/41 (1994)) provides for the appeal of final Board orders within 35 days of the date of service of this order. The Rules of the Supreme Court of Illinois establish filing requirements. (See also 35 Ill. Adm. Code 101.246 "Motions for Reconsideration.")
