HEARING OFFICER ORDER

On August 20, 2007, respondents participated in a telephone status conference with the hearing officer. Complainants did not appear. An agreement has been reached with respondent Drake, and the parties expect complainant to file a motion to dismiss him as a party. The remaining respondents will decide whether to respond to that motion. Additionally, the remaining respondents continue to prepare discovery requests for complainants, and report that they have not yet received any discovery requests from complainants.

The parties are directed to participate in a telephone status conference with the hearing officer at 10:30 a.m. on October 22, 2007. The status conference shall be initiated by the complainants.
