OPINION AND ORDER OF THE BOARD (by N.J. Melas):

On November 22, 2004, the Office of the Attorney General, on behalf of the People of the State of Illinois (People), filed a complaint against Oasis Industries, Inc. (Oasis Industries). *See* 415 ILCS 5/31(c)(1) (2006); 35 Ill. Adm. Code 103.204. The complaint concerns Oasis Industries' fiberglass bathtub and shower stall manufacturing facility at 1600 Mountain Road, Aurora, Kane County.

In this case, the People allege that, for various periods beginning in 2001, Oasis Industries violated Sections 9(a) and (b) and 39.5(6)(b) of the Environmental Protection Act (Act) (415 ILCS 5/9(a) and (b) and 39.5(6)(b) (2006)); 35 Ill. Adm. Code 201.302(a), 203.201, 203.301(b) and (d)(1) through (d)(3), 203.302(a)(1)(D), 205.310(a)(2), and 254.132(a); and condition 1 of joint construction and operating permit no. 98020084, by (1) operating a major source without a Clean Air Act Permit Program permit; (2) construction of a major source in violation of new source review requirements; (3) failing to meet the lowest achievable emission rate requirements; (4) failing to timely file an Emission Reduction Market System application; (5) exceeding emissions allowed by permit; and (6) failing to file accurate and complete annual emissions reports.

On June 29, 2007, the People and Oasis Industries filed a stipulation and proposed settlement, accompanied by a request for relief from the hearing requirement of Section 31(c)(1) of the Act (415 ILCS 5/31(c)(1) (2006)). This filing is authorized by Section 31(c)(2) of the Act (415 ILCS 5/31(c)(2) (2006)). *See* 35 Ill. Adm. Code 103.300(a). The Board provided notice of the stipulation, proposed settlement, and request for relief. The newspaper notice was published in *The Paris Beacon News* on August 4, 2007. The Board did not receive any requests for hearing. The Board grants the parties' request for relief from the hearing requirement. *See* 415 ILCS 5/31(c)(2) (2006); 35 Ill. Adm. Code 103.300(b).

Section 103.302 of the Board's procedural rules sets forth the required contents of stipulations and proposed settlements. 35 Ill. Adm. Code 103.302. These requirements include stipulating to facts on the nature, extent, and causes of the alleged violations and the nature of

Oasis Industries' operations. Section 103.302 also requires that the parties stipulate to facts called for by Section 33(c) of the Act (415 ILCS 5/33(c) (2006)). The People and Oasis Industries have satisfied Section 103.302. Oasis Industries denies the alleged violations but agrees to pay a civil penalty of \$40,000. The Board accepts the stipulation and proposed settlement.

This opinion constitutes the Board's findings of fact and conclusions of law.
