Pollution Control Board

PC#2

Sept 8, 2007

Dear Board,

I am writing in regard to PCB, 2007-084  
north Melam. It would be unacceptable to put  
a landfill so close to our Cahokia mounds  
site. I am urging you to not do such a  
terrible thing. Landfills do not belong in  
wetlands and in the floodplain. I'm asking  
by writing this letter as a taxpayer &  
home owner to be respectful of this beautiful  
and respected site. Do not disgrace this  
World Heritage site by putting another landfill  
in this area.

Sincerely

Bridget Stein
