FILING OF COPIES OF REPORTS THE ILLINOIS ENVIRONMENTAL PROTECTION
AGENCY USED IN DEVELOPING THE PROPOSED RULES

NOW COMES the Illinois Environmental Protection Agency (“Illinois EPA”), through one of its attorneys, and pursuant to the Hearing Officer’s order dated July 9, 2007, hereby files copies of the following reports:

1. Hydrogeologic Investigation Report, Fleetwide Assessment, Braidwood Generating Station, Braceville, Illinois. Prepared for Exelon Generation Company, LLC, by Conestoga-Rovers & Associates. September 2006.
2. Hydrogeologic Investigation Report, Fleetwide Assessment, Byron Generating Station, Byron, Illinois. Prepared for Exelon Generation Company, LLC, by Conestoga-Rovers & Associates. September 2006.
3. Hydrogeologic Investigation Report, Fleetwide Assessment, Dresden Generating Station, Morris, Illinois. Prepared for Exelon Generation Company, LLC, by Conestoga-Rovers & Associates. September 2006.
4. Hydrogeologic Investigation Report, Fleetwide Assessment, Quad Cities Generating Station, Cordova, Illinois. Prepared for Exelon Generation Company, LLC, by Conestoga-Rovers & Associates. September 2006.
5. Hydrogeologic Investigation Report, Fleetwide Assessment, Zion Generating Station, Zion, Illinois. Prepared for Exelon Generation Company, LLC, by Conestoga-Rovers & Associates. September 2006.

Because the copies of these reports submitted to the Illinois EPA contain information that is exempt from public disclosure under the Freedom of Information Act (“FOIA”) and regulations adopted thereunder, and the Hearing Officer has indicated that the reports will be entered into the

public record of this proceeding as submitted, information in the reports that is exempt from public disclosure has been redacted. The redacted information includes information claimed confidential by Exelon as well as other information exempt from disclosure under FOIA. The delay in submitting copies of these reports was due to necessary correspondence between the Illinois EPA and Exelon regarding Exelon's claims of confidentiality, as well as the time needed to redact exempt information and prepare publicly releasable copies of the reports.

Respectfully submitted,

ILLINOIS ENVIRONMENTAL
PROTECTION AGENCY

/s/ Kyle Rominger
