ORDER OF THE BOARD (by G.T. Girard):

On June 21, 2007, at the parties' request, the Board extended until September 13, 2007, the time period for Russell Oil Company, Inc. (Russell) to appeal a May 9, 2007 determination of the Illinois Environmental Protection Agency (Agency). On September 13, 2007, Russell timely filed a petition asking the Board to review the Agency's determination. *See* 415 ILCS 5/40(a)(1) (2006); 35 Ill. Adm. Code 101.300(b), 105.402, 105.406. The Agency's determination concerns Russell's leaking petroleum underground storage tank (UST) site located at 309 DeYoung Street Facility in Marion, Williamson County. For the reasons below, the Board accepts Russell's petition for hearing.

Under the Environmental Protection Act (Act) (415 ILCS 5 (2006)), the Agency decides whether to approve proposed cleanup plans for leaking UST sites, as well as requests for cleanup cost reimbursement from the State's UST Fund, which consists of UST fees and motor fuel taxes. If the Agency disapproves or modifies a submittal, the UST owner or operator may appeal the decision to the Board. *See* 415 ILCS 5/40(a)(1), 57-57.17 (2006); 35 Ill. Adm. Code 105.Subpart D. In this case, the Agency denied Russell reimbursement from the UST Fund in the amount of \$333.04. Petition at 1. Russell appeals on the grounds that the Agency's determination, that Russell's analysis costs lack supporting documentation and may exceed minimum requirements, is erroneous, arbitrary, and capricious. *Id.* at 2. Russell's petition meets the content requirements of 35 Ill. Adm. Code 105.408.

The Board accepts the petition for hearing. Russell has the burden of proof. *See* 35 Ill. Adm. Code 105.112(a). Hearings will be based exclusively on the record before the Agency at the time the Agency issued its determination. *See* 35 Ill. Adm. Code 105.412. Accordingly, though the Board hearing affords petitioner the opportunity to challenge the Agency's reasons for its decision, information developed after the Agency's decision typically is not admitted at hearing or considered by the Board. *See Alton Packaging Corp. v. PCB*, 162 Ill. App. 3d 731, 738, 516 N.E.2d 275, 280 (5th Dist. 1987); *Community Landfill Co. & City of Morris v. IEPA*, PCB 01-170 (Dec. 6, 2001), *aff'd sub nom. Community Landfill Co. & City of Morris v. PCB & IEPA*, 331 Ill. App. 3d 1056, 772 N.E.2d 231 (3rd Dist. 2002).

Hearings will be scheduled and completed in a timely manner, consistent with the decision deadline (*see* 415 ILCS 5/40(a)(2) (2006)), which only Russell may extend by waiver (*see* 35 Ill. Adm. Code 101.308). If the Board fails to take final action by the decision deadline, Russell may deem its request granted. *See* 415 ILCS 5/40(a)(2) (2006). Currently, the decision deadline is January 11, 2008, which is the 120th day after the Board received the petition. *See* 35 Ill. Adm. Code 105.114. The Board meeting immediately before the decision deadline is scheduled for January 10, 2008.

Unless the Board or the hearing officer orders otherwise, the Agency must file the entire record of its determination by October 15, 2007, which is the first business day following the 30th day after the Board received Russell's petition. *See* 35 Ill. Adm. Code 105.410(a). If the Agency wishes to seek additional time to file the record, it must file a request for extension before the date on which the record is due to be filed. *See* 35 Ill. Adm. Code 105.116. The record must comply with the content requirements of 35 Ill. Adm. Code 105.410(b).

Finally, the Board notes that on September 12, 2007, Russell filed a motion to consolidate this case with fourteen other UST appeals. The Board reserves ruling on that motion to allow the Agency's response time to run. *See* 35 Ill. Adm. Code 101.500(d).

IT IS SO ORDERED.

I, John Therriault, Assistant Clerk of the Illinois Pollution Control Board, certify that the Board adopted the above order on September 20, 2007, by a vote of 4-0.
